Date Submitted: September 13, 2023

Comprehensive Program Review Final Summary

Comprehensive Program Review
Final Summary Report (FSR)
Certificate in Fire Fighting Technologies

1. Self-Study Report Summary

Conclusions

- **Recommendation #7:** Work with Communications & Marketing to review and update the marketing strategy for the program.
- **Recommendation #8:** Review application, admission, and enrolment data to determine opportunities to improve admission yield and rate.
- **Recommendation #9:** Explore ways to integrate more learning opportunities for, and best practices around, mental health, physical fitness, and nutrition into the FFTE1/ pre-employment program.
- **Recommendation #10:** Explore the opportunity to implement an aligned physical fitness assessment or adapt a current industry standard test to administer as part of the application process.
- **Recommendation #11:** Align FFTE1 admissions and scheduling to JIBC fall, winter, and spring/summer semesters and create a map for students that illustrates program structure and timelines.
- **Recommendation #12:** Conduct an in-depth review of HZMT-1110 to ensure alignment of content, materials, and activities to learning outcomes.
- **Recommendation #13:** Collaborate with Institutional Research as they conduct their Course
