

J

4. JIBC will check the prerequisites for all student names provided. Students who do not meet the prerequisites will not be permitted to participate in the course. If the proposed dates, by significant subject to the initial availability are not acceptable, the SAR students for the participating agencies will be notified.

SAR Groups may work together to hold a contracted JIBC course.

- x Please include the name of all SAR groups in the application
- x Each student must be recommended by a training officer.
- x If multiple training officers are providing recommendations, individual recommendations must be submitted for each training officer.
